

Digital India **TALK SHOW**

Digital India Talk Show Organised at Hansraj College, University of Delhi

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology conducted a Digital India Awareness University Workshop cum Digital India Talk Show at Hansraj College, University of Delhi on November 6, 2024.

The workshop included sessions on key initiatives under the Government's flagship programme- Digital India viz. DigiLocker & Entity Locker, Cybersecurity, Digital Personal Data Protection Bill, UX4G, UMANG, Open Forge, and Academic Bank of Credits (ABC) – National Academic Depository (NAD).

Hundreds of students and faculty members of the college participated in the workshop to learn about these citizen-centric initiatives under the aegis of Digital India Programme. A Question & Answer round was held after each session wherein many students participated, posing questions regarding these services. A 'Digital India Quiz' was also organised which received an enthusiastic response from the audience with 12 students winning prizes.

Digital India University Workshops are an effort to ensure effective citizen engagement and communication by engaging with the youth and students who form the core of India's future, by imparting knowledge about citizen centric initiatives under Digital India programme which is filled with promising possibilities especially in the technological domain.
